About LM Funding America

LM Funding America, Inc. (Nasdaq: LMFA), together with its subsidiaries, is a cryptocurrency mining business that commenced Bitcoin mining operations in September 2022. The Company also operates a technology-based specialty finance company that provides funding to nonprofit community associations (Associations) primarily located in the state of Florida, as well as in the states of Washington, Colorado, and Illinois, by funding a certain portion of the Associations' rights to delinquent accounts that are selected by the Associations arising from unpaid Association assessments.

Forward-Looking Statements

This press release may contain forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Words such as “anticipate,” “believe,” “estimate,” “expect,” “intend,” “plan,” and “project” and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guaranties of future results and conditions but rather are subject to various risks and uncertainties. Some of these risks and uncertainties are identified in the Company's most recent Annual Report on Form 10-K and its other filings with the SEC, which are available at www.sec.gov. These risks and uncertainties include, without limitation, uncertainty created by the risks of entering into and operating in the cryptocurrency mining business, uncertainty in the cryptocurrency mining business in general, problems with hosting vendors in the mining business, the capacity of our Bitcoin mining machines and our related ability to purchase power at reasonable prices, the ability to finance and grow our cryptocurrency mining operations, our ability to acquire new accounts in our specialty finance business at appropriate prices, the potential need for additional capital in the future, changes in governmental regulations that affect our ability to collect sufficient amounts on defaulted consumer receivables, changes in the credit or capital markets, changes in interest rates, and negative press regarding the debt collection industry. The occurrence of any of these risks and uncertainties could have a material adverse effect on our business, financial condition, and results of operations.
