Forward-Looking Statements

This Current Report on Form 8-K may contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These statements involve risks and uncertainty. Words such as “anticipate,” “estimate,” “expect,” “intend,” “plan,” and “project” and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guarantees of future results and conditions but rather are subject to various risks and uncertainties. Such statements are based on the Company’s current expectations and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. Investors are cautioned that there can be no assurance actual results or business conditions will not differ materially from those projected or suggested in such forward-looking statements as a result of various risks and uncertainties. Investors should refer to the risks detailed from time to time in the reports the Company files with the SEC, including the Company’s Annual Report on Form 10-K for the year ended December 31, 2023, as well as other filings on Form 10-Q and periodic filings on Form 8-K, for additional factors that could cause actual results to differ materially from those stated or implied by such forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, unless required by law.

Forward-Looking Statements

This press release may contain forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "believe," "estimate," "expect," "intend," "plan," and "project" and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guaranties of future results and conditions but rather are subject to various risks and uncertainties. Some of these risks and uncertainties are identified in the Company's most recent Annual Report on Form 10-K and its other filings with the SEC, which are available at www.sec.gov. These risks and uncertainties include, without limitation, uncertainty created by the risks of operating in the cryptocurrency mining business, uncertainty in the cryptocurrency mining business in general, problems with hosting vendors in the mining business, the capacity of our Bitcoin mining machines and our related ability to purchase power at reasonable prices, the ability to finance and grow our cryptocurrency mining operations, our ability to acquire new accounts in our specialty finance business at appropriate prices, the potential need for additional capital in the future, changes in governmental regulations that affect our ability to collect sufficient amounts on defaulted consumer receivables, changes in the credit or capital markets, changes in interest rates, and negative press regarding the debt collection industry. The occurrence of any of these risks and uncertainties could have a material adverse effect on our business, financial condition, and results of operations.
