As disclosed in a Current Report on Form 8-K filed on December 21, 2020, on December 14, 2020, LM Funding America, Inc. (“LMFA”), through a wholly owned subsidiary, entered into a Master Loan Receivables Purchase and Assignment Agreement (the “Purchase Agreement”) under which LMFA agreed to purchase up to \$18 million of loan receivables of Borqs Technologies, Inc. (NASDAQ: BRQS), a British Virgin Islands company (“Borqs”), from Borqs’ senior lenders, Partners for Growth IV, L.P. and Partners for Growth V, L.P. As a part of the transaction, LMFA entered into a Settlement Agreement, dated December 14, 2020 (the “Settlement Agreement”), with Borqs pursuant to which Borqs was obligated to issue shares of Borqs common stock to LMFA (the “Settlement Shares”), in one or more tranches, in settlement of the loan receivables acquired by LMFA under the Purchase Agreement.

In a separate transaction and also as previously disclosed, on December 16, 2020, LMFA and Esousa Holdings, LLC, a private investor (the “Investor”) entered into a Loan Agreement (the “Loan Agreement”) pursuant to which the Investor agreed to provide consulting services and make one or more non-recourse loans to LMFA in a principal amount of up to the purchase price of the Borqs loan receivables purchased by LMFA. The Loan Agreement does not provide a fixed rate of interest, and LMFA and Investor agreed to split the net proceeds from LMFA’s sales of the Settlement Shares, with LMFA receiving one-third of the net proceeds after a return of Investor’s principal and the Investor receiving return of principal plus two-thirds of the net proceeds thereafter.

On February 16, 2021, LMFA announced that, as of February 11, 2021, it had completed its obligations under the Purchase Agreement by purchasing approximately \$18.2 million of aggregate debt (including principal, accrued interest and fees) from Partners for Growth IV, L.P. and Partners for Growth V, L.P. during the period from January 7, 2021 to February 10, 2021, at a discount for approximately \$15.5 million. Under the Settlement Agreement, LMFA received approximately 22.7 million shares from Borqs. The Company sold those shares for approximately \$32.6 million, of which approximately \$5.7 million was received by LMFA after fulfilling its obligations to the Investor under the Loan Agreement.

A copy of the press release, dated February 16, 2021, announcing the completion of obligations under the above contracts is attached as Exhibit 99.1.

LM Funding Announces Settlement of Borq Technologies Loan Agreement

TAMPA, FL, February 16, 2021 – LM Funding America, Inc. (NASDAQ: LMFA) (“LM Funding” or “LMFA”), a technology-based specialty finance company, had previously announced that it had entered into a Master Loan Receivable Purchase and Assignment Agreement under which LMFA agreed to purchase, through a wholly owned subsidiary, up to approximately \$18 million in the aggregate of loan receivables of Borqs Technologies, Inc. (NASDAQ: BRQS) (“Borqs”) from Borqs’ senior lender. As a part of the transaction, LMFA entered into a Settlement Agreement with Borqs pursuant to which Borqs agreed to issue shares of Borqs common stock to LMFA (the “Settlement Shares”), in one or more tranches, in settlement of the loan receivables acquired by LMFA (the “Settlement Agreement”).

The Company has completed its obligations under the Settlement Agreement by purchasing approximately \$18.2 million of aggregate debt (including principal, accrued interest and fees) during the period from January 7, 2021 to February 10, 2021, at a discount for approximately \$15.5 million and received approximately 22.7 million shares. The Company sold those shares for approximately \$32.6 million of which approximately \$5.7 million was received by the company after fulfilling its obligations to a private investor.

“LM Funding has operated under the tagline ‘We Buy Problems’ since 2011” said LMFA’s CEO Bruce M. Rodgers. “Generally, we buy or finance receivables at a discount and monetize them through the judicial process. In this instance, we successfully contracted to purchase loan receivables from Borqs’ senior lender and obtained a court order allowing us to sell the shares received from Borqs under a 3(a)10 exemption to registration requirements. Borq’s share price increased during the process which resulted in a win-win for both Borqs and its lenders. We entered into the transaction projecting netting \$2 million in this transaction but were able to improve this to receive \$5.7 million. We hope to provide similar solutions to other Nasdaq or NYSE listed companies in the future.” Rodgers said.
