### Forward-Looking Statements

This Current Report on Form 8-K may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements involve risks and uncertainty. Words such as "anticipate," "estimate," "expect," "intend," "plan," and "project" and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guarantees of future results and conditions but rather are subject to various risks and uncertainties. Such statements are based on the Company's current expectations and are subject to a number of risks and uncertainties that could cause actual results of differ materially from those described in the forward-looking statements. Such risks and uncertainties include the risk that the conditions for the sale of all of the Notes may not be satisfied and/or that the Company may not be able to recover its full investment and anticipated return from the Notes. Investors are cautioned that there can be no assurance actual results or business conditions will not differ materially from those projected or suggested in such forward-looking statements as a result of various risks and uncertainties. Investors should refer to the risks detailed from time to time in the reports the Company files with the SEC, including the Company's Annual Report on Form 10-K for the year ended December 31, 2020, as well as other filings on Form 8-K, for additional factors that could cause actual results to differ materially from those stated or implied by such forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, unless required by law.

### SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Dated: August 16, 2021

# LM Funding Reports Net Income of \$11.1 Million or \$2.05 Per Basic Common Share for the Second Quarter of 2021

TAMPA, FL / August 16, 2021 / LM Funding America, Inc. (NASDAQ:LMFA) ("LM Funding" or "LMFA"), a technology-based specialty finance company, today announced its financial results for the three and six months ended June 30, 2021.

### Financial Highlights for the Three and Six Month Period Ended June 30, 2021:

- Net income attributable to LM Funding for the three and six-month periods ended June 30, 2021 totaled \$11.1 million or \$2.05 per basic and diluted share and \$15.5 million or \$2.96 per basic and \$2.95 per diluted share, respectively.
- Cash increased to \$22.2 million or approximately \$4.09 per basic and diluted share on June 30, 2021 as compared to \$11.6 million on December 31, 2020.
- Working capital as of June 30, 2021 was \$29.7 million or \$5.49 per basic and diluted share.
- As of August 6, 2021, there were 5,414,296 common shares outstanding.

"We continue to operate under the tagline "We Buy Problems". Bruce M. Rodgers, Chairman and CEO of LM Funding said. "In the first two quarters, we originated, structured, and monetized our problem-buying business operations to generate \$2.96 in net income per basic and diluted share. As our balance sheet has grown our opportunities to buy problems has increased. With a stronger balance sheet, we could also take larger participations in the deals we put together. Although we originated, structured, and executed the two BRQS transactions and recognized \$14.1 million in gains this year, we only participated in less than one-third of the principal investment required in these deals and outsourced the balance to third parties. So we plan to continue to combine our team's strengths and our balance sheet with \$5.49 per share of working capital to buy problems and solve them profitably."

### Operational Highlights for the First Six Months of 2021 to Date:

- LMFA announced plans to develop accounting practices and controls for operating with digital assets and has announced plans to purchase up to \$2 million in Bitcoin and Ether.
- LM Funding is developing a digital asset technology strategy to grow its community association receivables business both organically and through acquisitions.
- LM Funding sponsored a special acquisition company, or SPAC, and closed a \$103.5 million upsized IPO (NASDAQ: LMAO). Net investment by LMFA in LMAO totals \$6.4 million or approximately \$1.17 per LMFA share.
- LMAO is targeting a business combination in the financial services or financial technology sectors

### **About LM Funding America:**

LM Funding America, Inc., together with its subsidiaries, is a technology-based specialty finance company that provides funding to nonprofit community associations (Associations) primarily located in the state of Florida, as well as in the states of Washington, Colorado and Illinois, by funding a certain portion of the associations'

rights to delinquent accounts that are selected by the Associations arising from unpaid Association assessments.

### **Forward-Looking Statements:**

This press release may contain forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "estimate," "expect," "intend," "plan," and "project" and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guaranties of future results and conditions but rather are subject to various risks and uncertainties. Some of these risks and uncertainties are identified in the company's most recent Annual Report on Form 10-K and its other filings with the SEC, which are available at www.sec.gov. These risks and uncertainties include, without limitation, uncertainty created by the COVID-19 pandemic, our ability to acquire new accounts in our specialty finance business at appropriate prices, the need for capital, our ability to hire and retain new employees, changes in governmental regulations that affect our ability to collected sufficient amounts on defaulted consumer receivables, changes in the credit or capital markets, changes in interest rates, and negative press regarding the debt collection industry. The occurrence of any of these risks and uncertainties could have a material adverse effect on our business, financial condition, and results of operations.
